(d) Specialized Overtime Rotation Lists:

(i) The Department of Community Services, the Department of Public Safety, the Department of Parks and Recreation, and the Department of Solid Waste Management shall generate specialized overtime rotation lists which, to the extent possible, shall provide for the equal distribution of overtime among select employees in these departments for the provision of the specialized services or the use of specialized equipment, all of which are specified in the table immediately below:

If these lists are exhausted, overtime shall be assigned from the next crew on the crew rotation list.

(f) Other Overtime Issues

(i) The Union is to be provided, in writing, with copies of the generic, specialized, and, in the case of the Highway Department, the crew rotation list.

(ii) If an employee uses sick time or emergency personal time during a particular pay period, the Department Head may withhold assigning any overtime to that employee during the pay period plus the following one, provided that the use of this time necessitated the assignment of scheduled or replacement overtime to another employee.

(iii) Employees shall not lose their places on the rotation lists as a consequence of absences for vacation, compensatory time or personal leave use.

(iv) Employees shall not relinquish their position on overtime rotation lists unless they expressly decline the offer of an overtime assignment.

(g) Snow, Ice and/or Emergency Overtime

If after resort to such list the Employer's staffing needs are still not met, the Employer may utilize part-time employees to fulfill its snow, ice and/or emergency staffing needs.

Disciplinary action can include suspension and/or increment denials as deemed appropriate by the Superintendent, in accordance with this Agreement. For purposes of this subsection only, non-Highway Department employees who fail to report shall be treated as Highway Department employees. Any employee who is eligible to be included on the Highway

Department and non-Highway Department rotation lists may provide the Highway Department with a preferred method of contact. The Highway Department will make good faith efforts to contact eligible employees by utilizing the preferred method of contact. Eligible employees shall be responsible to update their preferred method of contact in the event that their contact information should change.

(iii) Further, the Highway Department employee who is called for snow and/or emergency overtime and does not report shall remain at the top of the rotation list.

(ii) In the Parks Department, the assignment of overtime from generic or specialized overtime rotation lists shall begin with assignments from the lists for the crews in the geographic areas in which the overtime work is to be performed. If these lists are exhausted, overtime shall be assigned from the next crew on the crew rotation list.

A. SICK LEAVE.

Each covered employee shall be eligible for sick leave as follows:

At retirement or resignation, unless disciplinary charges are pending against the employee, the employee may sell back to the employer 10% of accumulated sick days between sixty-one (61) days and one hundred forty-nine (149) days, and 15% of all accumulated sick days in excess (149).

(3) Unused sick leave may be utilized as additional service credits for retirement purposes on a calendar-day basis up to a limit of One Hundred Sixty-Five (165) days, to the extent permitted by the applicable retirement system.

(4) Each department head may grant an employee, in addition to regular sick leave as above provided, such supplemental sick leave at one-half (1/2) pay as the department head, at his/her discretion, shall determine, not to exceed however, in total a supplemental period equal to two (2) pay-periods for each year of service heretofore or hereafter completed. Any employee who qualifies for and is denied half pay by his/her Department Head can appeal that decision to the Supervisor.

(5) The head of each department may, after four (4) consecutive working days, require that a Doctor's certificate or other verification of illness from a Health Care Professional satisfactory to such department head be presented for any absence to be allowed as sick leave. Sick leave may be used for medical, dental or optical examinations upon written proof of such examination being forwarded to the department head.

In the event that an employee exhibits a noticeable pattern of sick leave use, the employee and the Union shall be notified in writing of such pattern. Should the noticeable pattern continue after such notification, the employee will be placed on Time and Attendance Probation for a period of nine (9) months.

Upon such probation, in each instance of sick leave use, the employee shall be required to provide the employer with a Doctor's certificate or other satisfactory verification of illness from a Health Care Professional. The failure to provide such medical verification while on probation shall result in a 3 day suspension without pay for a first offense; a 10 day suspension without pay for a second offense; and a 15 day suspension without pay for a third offense. Each of the first three offenses shall start the nine (9) month probation period anew.

The Town shall purchase said time from the employee at his/her regular hourly rate for the year in which it accrued. Said option must be exercised by an eligible employee by January 31 of the year following his/her eligibility.

(8) The Town shall establish a voluntary sick leave bank to be administered by a labor-management committee, with the primary purpose of such bank being for a catastrophic situation or illness shortly before retirement.

B. TERMINAL LEAVE.

Any employee who dies or terminates service with the Employer for any reason, other than for cause prior to taking his/her vacation for the year in which such death or termination occurs, shall be entitled to vacation compensation for that year plus any accumulated vacation days which shall be paid to the employee, or, in the case of death, to the legal estate of the decedent in accordance with the appropriate law. Payment will be authorized and made upon the filing of: (1) a certified copy of proof of death or (2) upon receipt of written notice of termination at least two (2) weeks prior to the effective date thereof.

C. OTHER LEAVE.

In addition to such other leave as may be provided herein, or as may be otherwise provided, any employee who is a duly authorized delegate or representative of a volunteer firefighters association or department, a veterans organization, or volunteer ambulance corporation with the approval of the department head may, without loss of salary, attend conferences or conventions of such associations, departments, or organizations upon or with the written consent of his/her department head requested and obtained prior to such attendance; provided, however, that no more than eight (8) days per calendar year shall be used by bargaining unit members for such purposes effective January 1, 2002. If the request is denied or is not answered within three business days, then the Employee can appeal to the Supervisor. The Supervisor's decision shall be final and binding.

The procedure established within this Section shall be the exclusive disciplinary procedure for an Employee who may be subjected to reprimands and other forms of discipline carrying penalties of up to and including five days suspension. Should any sentence or clause of Section 75 be read as contradictory to this Agreement, the provisions of this Agreement shall at all times supersede the sentence or clause in question.

Employees subjected to discipline carrying a penalty of up to five days suspension shall be required to work for the length of the penalty, unless otherwise indicated herein. (b) In case of injury to an Employee covered by this agreement for which Workers' Compensation benefits are paid, a copy of the decision of the Workers' Compensation Board shall be sent to the Human Resources Department and the Department Head. When the Town receives a credit for either a pro-rata or full amount of the compensation paid to the Employee, or former Employee, covering such Employee's period of disability, the Employee or former Employee shall be re-credited with leave in employment date as of the date of his/her original date of employment.

(c) No cash benefits are paid for the first seven days of disability. Benefits are payable once the disability extends beyond fourteen days. In that event, the worker may be due benefits from the first day of the injury.

(d) When an employee loses time from work as a result of a job related injury, said Employee must be advised by his foreman or supervisor that he has the option of either being paid the uniform Workers' Compensation rate or using accrued sick and/or vacation days. This decision rests solely with the Employee, and the Human Resources Department should be notified of the choice.

(e) Any employee who is both away from work and is receiving any Workers' Compensation benefits by virtue of employment with the Town shall receive paid coverage under the health, dental and optical plans currently in effect provided however that such health, dental and optical benefits shall be maintained for only one (1) year after the Workers' Compensation benefits commenced. Such health, dental and optical benefits shall be at Town expense and on behalf of the Employee and his family. No duplication of such benefits shall occur.

(f) Employees on Workers' Compensation for a period up to and including one (1) year from the time compensation benefits commenced shall not suffer any loss of seniority for the purposes of lay-offs or purposes of increments.

(g) When an employee is required to take time off for a Workers' Compensation case during his/her normal workday (shift), such Employee shall be granted excused leave without loss of time or pay for

travel, examination and hearing time only, provided documentation is previously submitted.

In the event of a positive test, the following disciplinary procedure shall apply:

First Offense: 15-day suspension. At least five days of the suspension shall be without pay, and an employee may use up to ten days of accrued vacation or personal leave (if available) during the suspension.

Second Offense: 30 day suspension without pay. An employee may not use accrued leave time.

Third Offense: Termination.

An employee with a previous offense shall have his offense level dropped by one upon the completion of ten (10) years of negative drug tests.

An employee who possesses a CDL and obtains a positive test result for drugs and/or alcohol, shall not be permitted to return to duty until:

(1) The employee undergoes an evaluation by a Substance Abuse Professional (SAP); and

(2) The employee completes any education, counseling and/or treatment prescribed by the SAP; and

(3) The employee provides a negative test result for drugs if the employee had tested positive for drugs, or a breath alcohol level of less than 0.02 if the employee had tested positive for alcohol.

Non-CDL holders who have tested positive on a reasonable suspicion drug test shall be subjected to the same disciplinary procedure for CDL holders, as *set* forth above.

An employee who does not possess a CDL and obtains a positive test result for drugs on a reasonable suspicion drug test shall not be permitted to return to duty unless and until they furnish their Department Head and the Department of Human Resources with a return to duty letter from a New York State licensed physician stating that the employee has submitted to a subsequent drug test

(after the reasonable suspicion test) and achieved a test result which the physician affirms is sufficient to warrant a safe return to work, given the employee's specific job duties. The physician's letter shall include a copy of the test results.

Employees failing to meet the return to work requirements shall be charged with vacation or personal time, in that order, for each day that they are unable to return to work after completion of their suspension and may be subject to additional disciplinary measures.

Employees who are placed by a treating physician into a drug or alcohol rehabilitation center subsequent to a failed drug test, which placement extends past the time that their suspension would otherwise have ended, shall not be charged with personal or vacation leave during the period that such prescribed placement extends beyond the period of suspension. Therefore, the Employer and the Union, for the duration of this Agreement, each voluntarily and unqualifiedly waives the right and each agrees that the other shall not be obliged to bargain collectively with respect to any subject or matter referred to, or covered in this Agreement, or with respect to any subject or matter not specifically referred to, or covered in this Agreement, even though such subjects or matter may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.

(2) Any Employee who begins employment on the 15th of a month, or before, will be considered starting on the 1st of that month and any Employee who begins employment after the 15th of a month will be considered starting on the first day of the following month.

(3) New employees for a position entitled to health benefits hired after January 1, 2025 shall contribute 15% towards the total cost to the Town of supplying medical, dental and optical benefits to them and their dependents (if any).

Effective January 1, 2024, all Employees for a position entitled to health benefits contributing 25% towards the total cost to the Town of supplying medical, dental and optical benefits to them and their dependents (if any) shall have their contribution reduced to 18%. New employees hired on or after January 1, 2024 and before January 1, 2025 shall contribute 18% towards the cost to the Town of supplying medical, dental and optical benefits to them and their dependents (if any). Effective January 1, 2025, all employees contributing 18% towards the cost to the Town of supplying medical, dental and optical benefits to them and their dependents (if any) shall have their contribution reduced to 15%.

Employees for a position entitled to health benefits hired after September 11, 2012 and before November 14, 2017 shall contribute 18% towards the total cost to the Town of supplying medical, dental and optical benefits to them and their dependents (if any). After ten (10) years of employment with the Town or on January 1, 2025, whichever is first, said new employees contribution shall be reduced to 15% toward the cost to the Town of supplying medical, dental and optical benefits to them and their dependents (if any).

Employees for a position entitled to health benefits hired after January 1, 2005 and before September 11, 2012 shall contribute 15% towards the total cost to the Town of supplying medical, dental and optical benefits to them and their dependents (if any). After ten (10) years of employment with the Town, said employees contribution shall be reduced to 10% toward the cost to the Town of supplying medical, dental and optical benefits to them and their dependents (if any).

Employees for a position entitled to health benefits hired after March 1, 1995 and before January 1, 2005 will contribute 9% towards the total cost to the Town of supplying medical, dental and optical benefits to them and their dependents (if any). After ten (10) years of employment with the Town, said employees contribution shall be reduced to 8% towards the cost to the Town of supplying medical, dental and optical benefits to them and their dependents (if any).

Any current full-time employee in an "exempt" position, who, during the term of this contract, "retreats" into a covered position which he or she formerly held shall not be considered a new employee.

Employees hired on or after June 22, 1999 who are married to, marry, or obtain a domestic partnership, both employees shall not be eligible for family health insurance coverage (unless each such employee has separate minor dependents that would be excluded from the coverage of the co-employee receiving family coverage). Otherwise, the status quo ante shall apply with respect to health insurance benefits.

(4) The Town will make reasonable, good faith efforts to have available to current employees at such a time as a switch in coverage is allowed, an "HMO" option(s) for medical benefits which will have a lower premium cost to the town than the Empire Plan. All employees hired by the Town after the Ratification Date of this Agreement may only receive Medical Benefits through the NYSHIP Empire Plan.

(5) Current employees will retain their right to fully paid coverage for themselves and dependents, with the modifications to the dental benefits and optical benefits in subparagraphs (6) and (7) below. Any current employee who chooses an "HMO" option for medical benefits which has a lower premium cost to the Town than the Empire Plan, will be entitled to receive one-half of the savings to the Town. If the HMO option includes dental coverage, the savings will be calculated by comparison to the Empire Plan plus the current dental plan.

(6) Dental benefits are modified as follows: The maximum annual coverage per year (through CIGNA plan) is $2,250.00, and the maximum lifetime benefits for orthodontia is $2,250.00. The present deductibles are $50.00 per person and $150.00 per family.

(7) Optical benefits: See CIGNA schedule of benefits.

(8) It is understood, by the parties, that all Employees who retire, resign or are terminated for non-disciplinary reasons from the Town (referred to as "Former Employer") shall receive the same medical coverage as active employees, subject to the conditions below. Such coverage shall be fully paid by the Town for retirees and their dependents provided that certain conditions are in conformity with the practice stipulated below:

(9) Medical coverage at retirement, resignation or termination defined.

(a) Any employee who has completed ten years of service with the Town and can retire, shall be entitled to receive fully covered family medical benefits.

(b) Any employee who is terminated by the Town for non-disciplinary reasons with ten years or more of service, five years or less from the retirement age and is vested, shall be entitled to family medical coverage at retirement age provided there isn't a break in the continuity of such medical coverage during the ensuing period.

(c) COBRA – To the extent required by law, the various features of the Consolidated Omnibus Reconciliation Act of 1985 (COBRA) are available to affected employees, spouses, former spouses and/or their dependents as the same are defined in the Act and implementing regulations. Affected employees, spouses, former spouses, domestic partners, and their dependents are entitled to continued group health and dental insurance coverage upon the payment of the premiums for such coverage and the maximum administrative cost in accordance with the terms and provisions of COBRA and implementing regulations.

(d) At such time as a "Former Employee" (i.e. an Employee eligible for medical coverage under subdivisions 8 and 9 (above) is or becomes eligible to receive Medicare as a primary carrier, the Town shall be entitled to provide the Former Employee with a Medicare supplement policy rather than the Empire Plan, provided that the benefits available through the combination of the Medicare and the Medicare supplement policy are, on an overall basis, substantially equal to or better than the benefits which would be provided through the Empire Plan. The particular Medicare supplement plan to be purchased by the Town will be reviewed and can be rejected by the Labor-Management Committee. If NYSHIP permits, if at such time as the former employee becomes eligible for Medicare as a primary carrier, he/she has a dependent entitled to benefits who is not eligible for Medicare, the Town, at its option, can provide either family coverage through Empire Plan, or a Medicare supplement to the former employee and individual coverage through the Empire Plan for the dependent. Conversely, if the former employee is not eligible for Medicare, but his or her only dependent is, the Town can purchase a Medicare supplement policy for the dependent and in individual Empire Plan coverage for the former employee. If the former employee has a dependent and both the former employee and the dependent are eligible for Medicare, the Town may purchase a Medicare supplement plan covering both, in place of the Empire Plan.

(e) A former employee not eligible for Medicare can choose an HMO option for medical benefits on the same terms set forth above in subparagraph (5) applicable to current employees.

(f) If at the time of death of a former employee, he or she is survived by a spouse or domestic partner, the Town will pay 50% of the premium to continue individual medical coverage for the surviving spouse or domestic partner. If the surviving spouse or domestic partner is eligible for Medicare, the premium can be a Medicare supplement policy as set forth above. If at the time of death of the surviving spouse or domestic partner, he or she is survived by a qualified dependent of the Former Employee for whom there has been continuous coverage under the Town's medical plan (at the cost of the surviving spouse/dependent), the Town shall pay 50% of the premium to continue individual medical coverage for the qualified dependent for as long as such person remains

a qualified dependent. If at the time of death of the former employee, he or she is not survived by a spouse but is survived by a qualified dependent, the Town shall pay 50% of the premium to continue individual medical coverage for the qualified dependent for as long as such person remains a qualified dependent. This Section shall not obligate the Town to pay one-half of the cost of family coverage at any time after the death of the former employee. Survivorship benefits shall be consistent with NYSHIP's Survivor Policy.

(10) Any employee who presents proof to the satisfaction of the Commissioner of Human Resources that he or she had adequate health insurance coverage shall be permitted to withdraw from the Town's coverage. Such employees will be entitled to receive $3,500.00 for those covered in the family plan, or $1,500.00 for those covered in the individual plan, payable in two equal payments per year. In addition, a third category is established, to provide for payment of $1,500.00 to employees eligible for family coverage who, rather than opting out of coverage entirely, opt instead only to receive individual coverage. Employees who exercise this option are entitled to reinstatement in the Empire Plan during the Annual Option Transfer period.

(11) Employees may elect to opt out of the Dental Plan, and receive payment as follows: eligible for single coverage and opt out – $150.00; eligible for family coverage and opt out – $300.00; eligible for family coverage and opt for only individual coverage – $200.00. All amounts are per year, payable in two equal installments.

(12) If an employee on no-pay status is determined by the Town not to be eligible to have his/her health insurance premiums paid, in whole or in part, by the Town, unless such coverage is mandated by the federal Family and Medical Leave Act, such determination shall not be implemented unless approved by the Labor-Management Committee, which shall make a decision within 30 days of notice from the Town.

(13) Subject to the same terms and conditions above, benefits are available to domestic partners, as that term is defined in the North Hempstead Town Code. Eligibility for domestic partner benefits is conditioned upon the following: Registration of the domestic partnership with the Town's domestic partnership registry, together with two of the following: (a) proof of joint mortgage or lease with employee and domestic partner; (b) proof of joint ownership of checking account by employee and domestic partner; or (c) proof of designation of domestic partner as primary beneficiary on employee's life insurance policy or retirement account. Employee is obligated to notify employer immediately upon termination of the domestic partnership.

(14) The employer agrees to enter in a contract with all benefit-eligible employees, upon their retirement after January 1, 2005, to provide the retirees and their dependents, where applicable, with continuing health coverage at an equal or better benefit level than they were receiving at the time of retirement. The coverage provided by the Town pursuant to said agreement shall be secondary to the primary coverage received by Medicare eligible retirees, and shall be subject to the restrictions contained in Sections 9(a), 9(b) and 9(d) above. Benefits afforded under this section shall not be available to employees resigning

from their employment with disciplinary charges pending against them. The contract shall be in substantially the same form as that annexed hereto as Appendix D.

In consideration of this agreement by the employer, employees agree that upon retirement, they will have their insurance claims administered by Island Group Administration, Inc., or other third-party administrator designated by the employer.
