

CSEA **NEVER** *quit*

As CSEA members, we've accomplished a lot together to improve our jobs and our communities. That's because CSEA members never quit on each other.

I WON'T QUIT.

**I won't quit on my co-workers.
I won't quit on my community.
I won't quit on my union.
I won't quit on the people who depend on me.**

I want to get involved.

I want more information.
